Comp160
Lab 6

Spring 2019

For this lab you'll be working with *designing* with structs in Racket programs. If you have not already, you might need to read Sections 5.6 through 5.8 and review your notes from class.

Lab 6

Do the following:

- Exercise 76 but only for Person, CD and sweater

- Exercise 77

- Exercise 78

- Exercise 79

- Exercise 80 but only for Person, CD and sweater

- Add templates to your answers to exercises 77 and 78

- Exercise 81

- Exercise 82
