

*Comp160*

*Lab 8*

*Spring 2019*

Your main objective with this lab is to finish the Space Invaders Game we've been working over the past week.

*Lab 8*

All that's left to finish the space invaders game is the keyboard event handler. This is [Exercise 100](#) in the text. Get to it!

If you get the game done before the end of class, then work on [Exercise 103](#)
